Do you accept bitcoin?

Kirsty - 2020-07-29 - [Purchase](#)

Slixia accepts Bitcoin payments.

Please visit our purchase page to learn more and make your purchase instantly:

<https://e.slixia.com/purchase>

 Bitcoin is a secure electronic currency that you can purchase from web sites, special ATMs, or directly from other people you meet using a "Wallet" on your phone. For an intro on what Bitcoin is and how to buy it, check out Bitcoin.org's [introduction for individuals](#). Purchases made with Bitcoin will be converted to USD at the current rate.

Due to the cost of Bitcoin transaction fees, we are unable to offer any refunds for purchases made with Bitcoin!
