## How do I change locations on my ad?

Ria - 2020-07-29 - Ads

To change cities you just need to create a new ad and delete or pause the old one. This takes less than a minute!

Go to your Ads page (Ads tab at the top of your dashboard. Select "Pause Ad" or "Delete Ad" on the old ad, then click the "+New Ad" button to create a new ad in a different city:

The screenshot shows the Slixia dashboard interface. At the top, there is a navigation bar with icons for Dashboard, Profile, Ads, Stats, Media, and Help. To the right of the navigation bar, it displays '839 credits remaining' and '28 days remaining', along with a 'Buy Credits' button and the user's name 'Jamie Lee'. Below the navigation bar, there are two dropdown menus: 'Currently in New York City, New York' and 'Set Available Now'. The main content area features a 'Welcome back!' message and a note: 'There is one item below that requires your attention.'

Click More

The screenshot shows an ad card for a provider named Jamie Lee. The card features a photo of Jamie Lee sitting on a white bed. Below the photo, it says 'Jamie Lee VERIFIED' and 'New York City'. Underneath, it lists 'NEW YORK CITY' and 'ESCORTS, BDSM'. At the bottom, it shows '3 credits per day' and three buttons: 'Edit', 'BUMP!', and 'More'.

Select "Pause" or "Delete"

Click the blue button "New Ad" to create your ad:

Be sure to also change your current location by clicking on the black 'Currently in..' button located at the top of your main dashboard page:
