## How do I change locations on my ad?

Ria - 2020-07-29 - Ads

To change cities you just need to create a new ad and delete or pause the old one. This takes less than a minute!

Go to your Ads page (Ads tab at the top of your dashboard. Select "Pause Ad" or "Delete Ad" on the old ad, then click the "+New Ad" button to create a new ad in a different city:

The screenshot shows the Slixia dashboard interface. At the top, there is a navigation bar with tabs for Dashboard, Profile, Ads, Stats, Media, and Help. The user's profile is visible as 'Jamie Lee' with a dropdown arrow. To the right of the profile, it shows '839 credits remaining' and '28 days remaining', along with a 'Buy Credits' button. Below the navigation bar, there are two location selection buttons: 'Currently in New York City, New York' and 'Set Available Now'. A 'Welcome back!' message is displayed, followed by a note: 'There is one item below that requires your attention.'

Click More

The screenshot shows an ad card for a provider named 'Jamie Lee'. The card features a photo of a woman in a white lace outfit sitting on a bed. Below the photo, the name 'Jamie Lee' is displayed with a 'VERIFIED' badge and 'New York City' with a US flag icon. The ad category is 'NEW YORK CITY' and 'ESCORTS, BDSM'. The price is listed as '3 credits per day'. At the bottom of the card, there are three buttons: 'Edit', 'BUMP!' (with an upward arrow), and 'More' (with a downward arrow).

Select "Pause" or "Delete"

Click the blue button "New Ad" to create your ad:

Be sure to also change your current location by clicking on the black 'Currently in..' button located at the top of your main dashboard page:
