

How do I change my password?

Kirsty - 2020-07-29 - Account

Your password can be changed two ways.

1. If you cannot remember your password, you can request a reset on the log in page here <https://e.slixia.com/login>

2. If you are able to sign in to your account, you can change your password from your settings page here:

<https://e.slixia.com/account/password>

You can also access this page by hovering over your stage name at the upper right of your dashboard and selecting the "settings" option.

Then click the "Password" option and follow the directions on the screen.

A screenshot of the 'Reset Password' form. The form has three input fields: 'OLD PASSWORD', 'NEW PASSWORD', and 'CONFIRM PASSWORD'. The 'NEW PASSWORD' field is masked with dots. There is a 'Change Password' button at the bottom of the form. On the left side, there is a navigation menu with 'Password' highlighted in blue. Other menu items include Settings, Email Settings, Twitter, Transactions, Verification, Help, Export Data, Profile Visibility, and Delete Account.
