How do I delete my account?

Kirsty - 2020-07-29 - Account

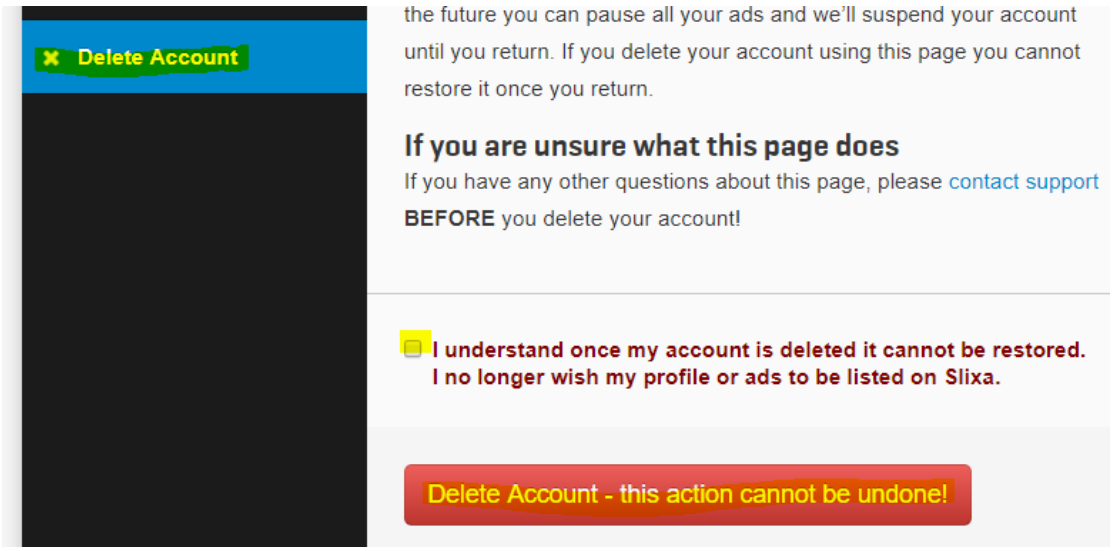

To delete your account, just go to your Settings page here:

https://e.slixa.com/account/settings

Or, if you are already logged in, just click the "Settings" option in the drop down menu in the upper right corner of the screen:

Simply click "Delete Account" on the left navigation bar, check the "Delete Account" box, and click the red button that appears at the bottom of the page.

Delete Account
the future you can pause all your ads and we'll suspend your account until you return. If you delete your account using this page you cannot restore it once you return.
If you are unsure what this page does
If you have any other questions about this page, please contact support BEFORE you delete your account!
I understand once my account is deleted it cannot be restored.
I no longer wish my profile or ads to be listed on Slixa.
Delete Account - this action cannot be undone!
