How do I delete my account?

To delete your account, just go to your Settings page here:

<https://e.slixia.com/account/settings>

Or, if you are already logged in, just click the "Settings" option in the drop down menu in the upper right corner of the screen:

Simply click "Delete Account" on the left navigation bar, check the "Delete Account" box, and click the red button that appears at the bottom of the page.
