Gift Me Activation

With Slixia's "Gift me" feature, you have the option of activating a "Gift Me" button on your Slixia profile so viewers can gift you directly. It's super easy to activate. **Note that you cannot link to cash apps!**

[Head to your Slixia profile now](#) and add at least one method for accepting gifts here:

Display Gift Me You can optionally display a "Gift Me" button on your profile so site visitors can gift you via your Wishlist URLs. "Gift Me" can not be used for donations involving in-person meetings.

Provide direct URLs to your Wishlists and provide the name of your Wishlists in the fields below.

*** Must have a paid ad and at least one Wishlist entered to qualify**
